

Your Donation Will Be Matched 1-to-1! Can You Chip In?

Please don't scroll past this—the Wayback Machine is fighting for universal access to quality information. The Internet Archive, which runs this project, relies on donations averaging \$30.38 to help us keep the record straight. We'd be deeply grateful if you'd join the one in a thousand users that support us financially.

Right now, we have a matching gift campaign that will double the impact of every donation. We understand that not everyone can donate right now, but if you can afford to contribute this Wednesday, we promise it will be put to good use. Our resources are crucial for knowledge lovers everywhere—so if you find all these bits and bytes useful, **please pitch in.**
